President's Message

I hope everyone has enjoyed a wonderful summer. We've had our share of HOT weather, but I hope you've succeeded in staying cool. I know I've enjoyed every moment of a "change of pace" routine from the busy and hectic times the rest of the year. However, LARCS has still been busy, even in the summer months. Bundles' Chairs have been working while the Jams and Jellies Workshops are finished making our "award-winning" products. Later this month, and in September, all our other amazing products will be canned/made and ready to showcase on October 8th, at Bundles.

RAFFLE TICKETS ARE AVAILABLE FOR YOU TO SELL!!! Crystal McLaughlin will be contacting you regarding pick-up of tickets. PLEASE sell them!!! **This is 100% PROFIT!!!!** If you need more, get more!!!! SELL SELL SELL

As this newsletter gets ready to appear in your email, we will be having some publicity for LARCS. On Tuesday, August 16th, LARCS will be featured on the John Malos Show, MeTV. The show came out and took video during one of our jam workshops and it will be shown on air as we talk about all the great work we all do. We are planning on appearing on Great Day, Channel 26 again, one morning in September. I'll try to get that date to you before it happens.

You will find Bundles info in this edition of Enews. Check it out, make plans to invite friends, decide what baked goods you plan to make for the Country Store, and don't forget to help out at a workshop. With ALL of us working together, Bundles 2016 will be another fantastic event.

If you have any last minute changes for the Red Book, please email me ASAP.

Enjoy what's left of summer!!!

Jan

BUNDLES 2016 - Bring a Bundle/Change a Life

October 8th is right around the corner. The Bundles Committee Chairs have been hard at work all summer. Plans are made, deposits paid, orders in, jams and jellies made and stored at Arc. More workshops will soon be here!!!!

Those of us who have been "breathing and living Bundles" are excited. Now we need EVERYONE to get excited too. In that excitement, we need **YOU to invite your friends and family**. It will be another wonderful event at the Ashjian's, but we need **MORE guests**. That's where **YOU can HELP**. If ALL of US, got **2 NEW people to attend this year** - our crowd would be GREAT and LARCS would make a whole lot more money!!! So, start talking it up. Put the word out via social media. Talk about it at work, the grocery store, daycare, hair/ nail salon, wherever you might be.

Invitations will be mailed on August 19th. That same day, our website, www.larcfresno.org will have the information AND be ready to accept reservations and money!!! You will also receive a graphic for you to send to people or post on social media. Let's get people to buy their tickets early!!!!!!
